FOLENS ENGLISH SPELLINGS PROGRAMME

Spell It!

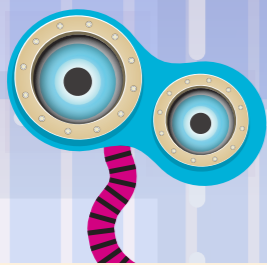

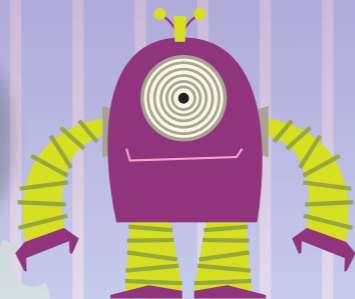

Folens new spellings programme
for 1st to 6th class.

Spell It!

Has everything you need to teach spellings effectively.

Takes a structured approach to the teaching of spellings, based on phonetic knowledge and common letter patterns.

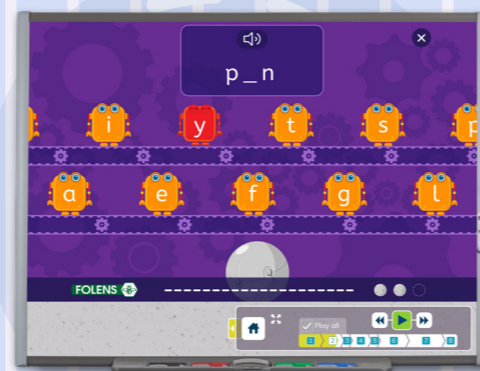

Follows the 'Look, Say, Shape, Cover, Write, Check' method in 1st and 2nd Class.

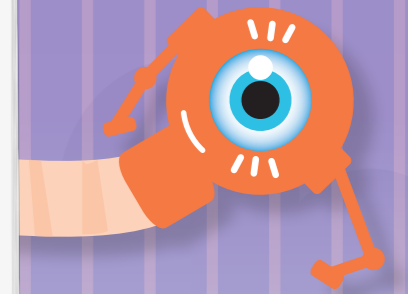

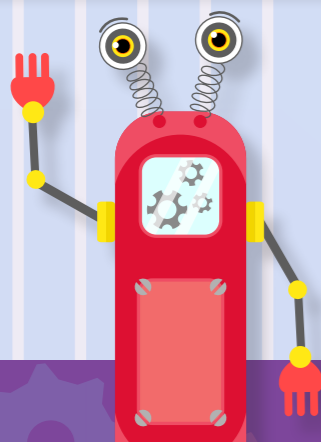

High-frequency words included in every unit so that all pupils have a solid grasp of the words they are most likely to read and write.

Challenge words provide additional stretch opportunities.

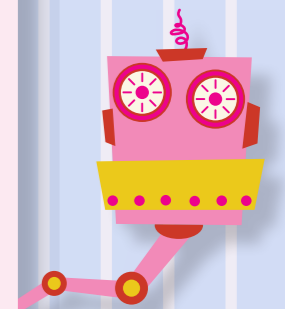

Regular opportunities for revision.

Commonly misspelled words included for older classes.

- ✓ Digital games for 1st to 4th class allow pupils to practise spellings in a fun way.
- ✓ Dictation sentences provided online for every unit so that children can practise writing words they have been taught in a more meaningful context.
- ✓ Visually engaging layout.
- ✓ Highly structured and consistent approach makes it easy to assign as homework.
- ✓ Activities covering prefixes, suffixes, contractions, homophones and compound words help children develop an understanding of the structure (morphology) of words.
