

Connect

Aladdin Connect transforms the way staff and parents communicate, taking speed, efficiency and security to a whole new level.

Full support 24/7

New technology can be daunting – but not with Aladdin.

You'll never be more than a phone call or an email away from friendly, expert help.

Connect parents and staff quickly and easily

Through our cloud-based platform and mobile app you will be able to send push notifications directly into parents' hands.

Scheduling parent/teacher meetings made easier

Let parents choose which of your available times suits them! This will minimise the amount of time spent scheduling parent/teacher meetings.

More time for you and your staff

With Aladdin Connects' technology doing all the heavy lifting, you'll be surprised how much more time it frees up for you and your staff.

Easy to switch – our team does all the work

As with Start we will configure all of your data to your tailored specifications making sure you will get the most out of Connect for your needs.
