Start

New technology can be daunting – but not with Aladdin, join over 2 out of 3 primary schools across Ireland who use Start on a daily basis.

Electronic attendance

Say goodbye to physical roll books. Aladdin's eRolls are compliant with the DES Circular 0033/2015.

ePayments

Allows parents to pay securely online using credit and debit cards, saving time spent counting, checking and lodging large amounts of cash and cheques.

Reporting and Assessments

▶ Aladdin is an Irish company, our software is designed specifically for use with Irish primary schools. We support compliance with all Department reporting.

▶ Simplify the creation, filling-in, approval, printing and filing of NCCA / school report cards.

▶ Input, graph and analyse standardised or custom test results and produce data for the DES.

Easy set up

Designed for Irish schools we will import all of your data for you so you don't have to, our Irish based support team are on hand to help you via our support line if you ever need us.

Secure

Being secure and GDPR compliant is very important to us at Aladdin. We ensure that our platform is the securest out there. The best thing is you wont need to install or upgrade anything as it is all done securely in the cloud.

Information hub

Keep all your school records in one easy to access place.
