Premium Conference Sponsors

Allianz

A simple promise, built on TRUST is at the core of Allianz's business. Allianz staff are committed to helping our policyholders and meeting their needs quickly and sensitively at a time of crisis.

Allianz is one of the largest insurers in the world, and is the leading school insurer in Ireland, something we are immensely proud of. We have established this position through our dedication to supporting schools throughout Ireland, and that will continue to be the cornerstone of our service to our school customers.

Compu b

Compu b is Ireland's only dedicated Apple Authorised Education Specialist. We work in partnership with schools to introduce the latest Apple technologies into the classroom. We deploy and integrate devices into the schools' current environment. We support teachers through bespoke training and professional learning. We provide ongoing support and technology services. Our experts are available nationwide in our convenient community hubs in Limerick, Cork, Galway, Grafton Street, Dundrum Town Centre, Pavilions Swords and Ballymount, Dublin.

Conference Sponsors

Barnardos Online Safety Programme

With the support of Google.org, we can offer 4 online safety workshops to students in 3rd-6th class for a reduced cost for schools of 50euro per day. We currently deliver virtual workshops and will revert to face to face workshops when conditions allow. Our workshops are child-centred, discussion based and take a positive approach to online safety. Our workshops can be delivered nationwide, by our Garda vetted, experienced trainers.

The Daily Mile

The Daily Mile in Ireland, promoted by Athletics Ireland, now benefits an estimated 208,600 children in 1,043 primary schools. The Daily Mile takes place outside in the fresh air during the school day at a time of the teacher's choosing. Children walk or run in their school clothes and no special kit, set-up, tidy up or equipment is required.

We now want you to help us spread the word by joining us for a virtual Daily Mile at the IPPN Conference from Friday 30th April – Thursday night 6th May 2021. Simply pledge your support by registering below.

Educationposts.ie

EducationPosts.ie is Ireland's longest established and most widely used website dedicated to education recruitment. We advertise vacancies across Pre-school, Primary, Post Primary, Higher & Further Education, Other and International vacancies, and posted over 14,000 adverts in 2020. We have been bringing education Job Seekers and Job Advertisers together since 2002.

Epson

Epson is a global technology leader dedicated to becoming indispensable to society by connecting people, things and information with its original efficient, compact and precision technologies. The company is focused on driving innovations and exceeding customer expectations in inkjet, visual communications, wearables and robotics.

Epson is proud of its contributions to realising a sustainable society and its ongoing efforts to realising the United Nations' Sustainable Development Goals.

Learn Play Nexus Limited

At Nexus, we provide a wide range of educational resources and have been trading for over 26 years. Our product catalogue covers Aistear, handwriting, arts and crafts, mathematics and outdoor, but we are probably best known for our Pegs to range, helping with all areas of early development, designed in partnership with Child Psychologist, Dr Angela Webb.

As an environmentally conscious company, we are always striving to develop new and sustainable products for education. Our latest development is U-fill; a glue stick refill system designed to reduce plastic waste.

Sustainable Energy Authority of Ireland

SEAI is Ireland's national energy authority investing in, and delivering, appropriate, effective, and sustainable solutions to help Ireland's transition to a clean energy future. We work with Government, homeowners, businesses, and communities to achieve this, through expertise, funding, educational programmes, policy advice, research, and the development of new technologies.

As part of its remit, SEAI has an education programme where it produces energy resources for schools and students and runs workshops and events to educate on sustainable energy.

Exhibitors

Aladdin Schools

Aladdin - the software behind great schools. Over 2,600 Irish primary schools have streamlined their admin with Aladdin. Now is the time to join over 1,000 schools that have discovered Aladdin Connect, an efficient, safe and effective way to communicate with parents.

Cleaning Contractors Ltd

Create a clean and safe environment for students and faculty members in your school

With over 30 years of industry experience, the team at Cleaning Contractors strives to provide all of our clients with a reliable cleaning service so they can work and study in a clean environment.

We're a family-owned and operated business, and we always put our clients first, no matter what. With over 700 professionally-trained cleaning experts on our team, our clients always get the perfect cleaning service for their school.

Visit our stand and be in with a chance of winning €500 of Solupak cleaning products.

CJ Fallon Limited

Since 1895 CJ Fallon has been leading the way in providing educational resources for Irish teachers and pupils. Long renowned for the quality of its publications, CJ Fallon offers a vast range of resources, both online and offline, to enhance teaching and learning – all tailored specifically for the needs of Irish educationalists. Each series is painstakingly prepared, taking account of best international standards and involves considerable reviews and feedback from multiple subject experts.

Dabledoo Music

We are celebrating ten years of DabledooMusic this year! We began with a self-published workbook for children and a system of online resources designed specifically for Irish primary schools. Since launching our full online curriculum for primary schools in 2016 we have reached over 700 schools across Ireland with over 40,000 parents and teachers enrolled in our online resources.

Our weekly lessons provide a full school approach to the music curriculum with clear progressions from year to year covering each of the curriculum strands.

Educational Company of Ireland

The Educational Company of Ireland (Edco), Ireland's leading school book publisher for Primary and Post-Primary/Secondary Schools

Edco publish primary and post primary/secondary textbooks, programmes, teacher's resources, e-books, revision books, exam papers and ancillary materials that comprehensively cover the Irish Curriculum. We also provide teachers with a range of advanced digital resources to assist them in their teaching objectives resulting in strong learning outcomes for their students and pupils.

EMS Copiers (Services) Ltd

Back to school is a traditionally busy, stressful time but never more than now. Schools and colleges are working tirelessly to ensure their staff and pupils can start the school year safely and efficiently.

Our experienced team are on hand to make the return to the classroom as stress free as possible. EMS can supply and service any size of school or college nationwide.

Folens Publishers

We are a leading Educational Publisher in Ireland. We specialise in producing high quality books as well as digital products and resources for teachers and students.

For over 60 years we have been listening, understanding and adapting to the changing needs of teachers and students. Chat to one of our Reps today to find out about our Primary programmes such as Explorers for SESE, Starlight and My Wellbeing Diary or our exclusive Literacy range including PM and Engage.

You could also be in with a chance of winning a gourmet hamper. Chat to our Reps to find out how or complete our contact form to enter.

Footfall LTD

Footfall has over 30 years' experience in the provision of entrance matting systems, vinyl flooring, logo mats, wall protection systems and specialist safety flooring solutions.

At Footfall we care about your students, employees, and your image, therefore we source, install and maintain durable and high-quality materials to ensure safety, comfort and reliability.

Attendees contacting Footfall on the day will have their name & school entered into a draw to win a logo mat (T&Cs apply)

All entrance mat orders received by Friday 18th June 2021 will receive 10% discount (T&Cs apply)

Law Society of Ireland

The [Diploma Centre](#), as part of the Law Society of Ireland's Law School, has been providing continuing professional education and training to solicitors and non-legal professionals for over 20 years. The award-winning team offers quality postgraduate courses that meet the needs of legal practitioners and professionals in Ireland and internationally.

Enhancing the skills and career opportunities is at the heart of what we do, and we achieve this goal through a range of diverse courses which confer postgraduate qualifications and which are designed to be accessible to those with busy schedules. All of our courses are available online, live and on-demand.

Moo Crew – The School Milk Scheme

The School Milk Scheme is subsidised and provides a daily portion of fresh milk to school-going children at a very affordable price. School Milk is very valuable for children, counting towards one of their recommended servings from the 'milk, yogurt and cheese' food group each day.

Register for the School Milk Scheme before 30th June 2021, to be in with a chance to win Free School Milk for all pupils in your school in the 2021/2022 school year.

Prim-Ed Publishing Ltd

For over 20 years, Prim-Ed Publishing has been working with teachers to provide tailored resources to meet the very specific needs of pupils in Irish classrooms. The organisation operates across five continents with sales and licensing agreements in 22 countries. Our portfolio of teacher resources includes boxed products, workbooks, digital online content, eBooks, photocopiable teacher resources and software.

Promethean

With more than 20 years' experience in education, Promethean is a global leader in education technology. Promethean's combined hardware and software solutions are designed to transform classrooms into collaborative and connected learning environments that promote student participation and engagement.

Sensational Kids

Sensational Kids boasts Ireland's only non-profit Play, Develop & Learn Store which showcases a wide range of learning and development resources for kids of all abilities. All profits from the store are reinvested into the award-winning organisation to provide accessible therapy supports for children. Sensational Kids also runs training and CPD workshops for parents, teachers, SNAs and healthcare professionals including the world-renowned Handwriting Without Tears programme. The next online Handwriting Without Tears Workshop takes place on Saturday, 19th June 2021 and can be booked now.

Toomey Audio Visual

Toomey Audio Visual is the trusted name in AV Technology in Education for over 50 Years. We are constantly looking at the latest developments in Audio-visual (AV) equipment for schools to ensure that our advice is current and forward thinking and to ensure that every Irish school invests wisely in the most suitable solutions for education. We provide Projectors, Interactive Flatscreens, Sound Systems, Hall AV Systems, Digital Signage, Flatscreen displays, as well as onsite service, maintenance, and Installation services.

4Schools.ie

4Schools specialise in the provision of communication and learning resources to primary schools, including state-of-the-art homework diaries, school information folders and much more.

This year, we are excited to launch the first ever Public Speaking and Oral Language programme, LET's Stand for Primary Schools. We also offer a range of products through Irish to Irish-language schools.

IPPN Conference 2021 Special Offer -40% discount on Educational Wallcharts and Vocabulary Cards purchased during the IPPN Conference 2021.
