

AUTUMN COUNTY MEETINGS

Supporting each other at local level

September—October 2020

Attend a virtual meeting that best suits you ● Don't miss a chance for your opinion to be heard!

Damian White, IPPN President & Páirc Clerkin, IPPN CEO will be virtually visiting each county in Autumn 2020.

IPPN will be bringing members key updates, discussing the current hot topics and offering support at the start of the school year. Most importantly, it is an opportunity to meet your peers.

There is also an opportunity to become more involved with IPPN by representing your county at County Committee & National Council level.

With the current COVID restrictions in place, all these meetings will now be hosted online via GoToMeet at 3.30pm.

Once you have successfully booked your place, you will receive a link to the online meeting.

Book your place today
