Brian O'Doherty, IPPN President & Páirc Clerkin, IPPN CEO will be virtually visiting each county in Autumn 2021.

IPPN will be bringing members key updates, discussing the current hot topics and offering support at the start of the school year. Most importantly it is an opportunity to meet your peers. There is also an opportunity to become more involved with IPPN by representing your county at Committee and National Council level. See below the dates and times that best suit you.
