# NEW APP

We are delighted to announce that work on our new Textaparent.ie App is at an advanced stage.

The TextaParent.ie App will be available on both Apple and Android devices. Working alongside your existing TextaParent account, the App should dramatically reduce the cost of sending messages to parents and staff.

## TextaParent Purchase Example

3,000 Standard SMS = €165

3,000 App messages = €82.50

**A MASSIVE SAVING OF  
50% FOR YOUR SCHOOL\***

The **FREE** App will be available on the App Store and Google Play. Parents will need to download this to their smart phone.

You will have the ability to view those who have the App installed and those who do not, so no missed messages, your account will offer you the option of sending a standard Textaparent.ie text message to those who do not have the App downloaded.

As always, there is no set up fee or minimum purchase.

**IPPN is a not-for-profit members' organisation. TextaParent.ie is a key revenue source for IPPN. All revenue generated is reinvested to provide core IPPN member services including the [networking@ippn.ie](mailto:networking@ippn.ie) mailing list, Professional Guidance call-back service and County Network meetings.**

If you have any queries, or would like to try TextaParent.ie for yourself, please contact [info@textaparent.ie](mailto:info@textaparent.ie) or **1890 401 501**

\*Prices and savings will vary depending on how many standard SMS messages need to be sent. See [www.textaparent.ie](http://www.textaparent.ie) for more details
