

PODCASTING WITH PUPILS

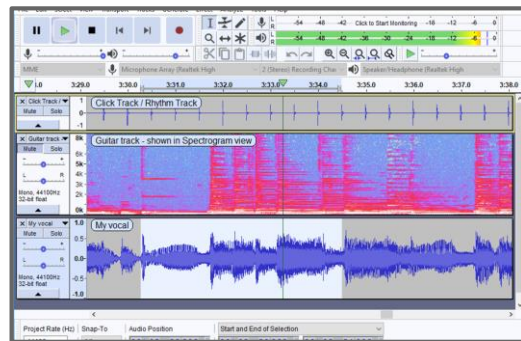

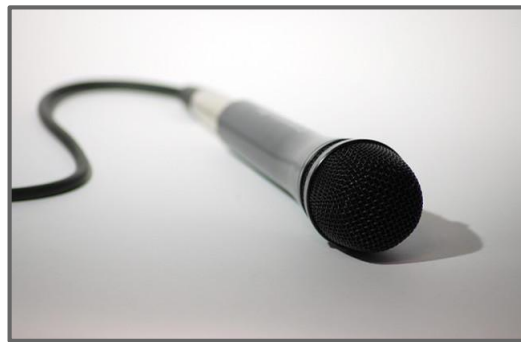

A professional black microphone with a large foam windscreen is mounted on a black stand with a gold-colored adjustment ring. The microphone is positioned in front of a silver laptop, which is open and shows a blurred screen. In the bottom left corner, a pair of black headphones is partially visible. The entire setup is on a light-colored wooden desk.

WHY PODCAST?

WHAT DO YOU NEED
AND HOW MUCH
DOES IT COST?

STEPS

1. Plan your content like a good story!

a. Introduction

b. Content

c. Conclusion / Wrap up

2. Give out jobs to children – presenter, researchers, techies, etc.

TECH STUFF!

Theme Tune – Google Labs, or just record musical instruments

Recording Software – Audacity, Garageband

Podcast App – Soundcloud, Libsyn

AND SHARE!
