Circular Letter 36/2011

To the Management Authorities of Primary, Secondary, Community and Comprehensive Schools

Cycle to Work Scheme

1 INTRODUCTION

The Minister for Education and Skills wishes to inform management authorities of Primary, Secondary, Community and Comprehensive Schools of the revised terms and conditions for the Cycle to Work Scheme. The scheme applies to teachers, special needs assistants, clerical officers, caretakers and child care workers paid on payrolls operated by the Department of Education and Skills as paymaster. (Refer to section 1. of Appendix 3)

Legislation was introduced in the Finance (No. 2) Act 2008 which allows an employer to incur the expense of providing an employee with a new bicycle¹ without the employee being liable for benefit-in-kind taxation. The Legislation also permits the benefit-in-kind tax exemption to apply in the context of salary sacrifice, that is, where an employee agrees to forego or sacrifice part of his/her salary in lieu of the provision of new bicycle and/or bicycle safety equipment by the employer. The total cost of the bicycle and/or bicycle safety equipment as stated on the invoice from the supplier will be deducted from salary and the employee will not pay tax, PRSI, Universal Social Charge or Pension Related Deduction on the remuneration sacrificed.

The scheme allows an employer to purchase **a new bicycle and/or bicycle safety equipment** up to a value of €1,000 once every 5 years on behalf of an employee.

A guidance note on the scheme including a series of Questions and Answers provided by the Revenue Commissioners can be found at: <http://www.revenue.ie/en/practitioner/law/bik-exemption-for-bicycles.pdf>

The scheme applies **only to new bicycles and bicycle safety equipment** purchased from approved suppliers. [A list of suppliers is available on the OPW web site at <http://www.opw.ie/en/OurBusinessUnits/GovernmentSuppliesAgency/Cycle-to-WorkScheme/>]

For the purpose of the Cycle to Work Scheme, any reference to employer in this circular can be taken as a direct reference to the Department of Education and Skills, as paymaster. Any reference to employee relates to the individual primary or post primary teacher, special needs assistant, clerical officer, caretaker or child care worker.

¹ The scheme also applies to safety equipment relating to cycling.

2 REQUIREMENTS OF THE SCHEME

Salary sacrifice by an employee in respect of the bicycle will be acceptable to the Revenue Commissioners as being effective for tax purposes under the following conditions:

1. There must be a bona fide and enforceable alteration to the terms and conditions of employment, i.e. exercising a choice of benefit instead of salary.
2. The alteration must not be retrospective and must be evidenced in writing.
3. There must be no entitlement to exchange the benefit for cash;
4. The choice exercised (i.e. benefit instead of cash) cannot be made more frequently than once in a five-year period
5. The choice exercised must be irrevocable for the relevant year for which it is made.

The salary sacrifice will have no impact on pension contributions or on pension benefits.

3 APPLICATION FOR THE SCHEME

Individuals wishing to avail of the Cycle to Work Scheme are required to:

1. Read and agree to the conditions governing the scheme (Appendix 3).
2. Complete an Application Form (Appendix 1) which outlines the **bicycle and/or bicycle safety equipment** to be purchased.
3. Sign the Salary Deduction Authorisation Form (Appendix 2 which sets out the salary sacrifice for the items requested, i.e. the **total cost** of the bicycle and/or bicycle safety equipment as stated on the invoice

Completed applications must be forwarded to the appropriate Payroll Section in the Department of Education and Skills, Cornamaddy, Athlone, Co. Westmeath. Incomplete forms will be returned to the employee. Applications for the scheme must be made on the forms attached to this circular.

Applications may be submitted to the Department at any time during the year.

These forms can be downloaded directly from this Department's website, www.education.ie

The application must be completed in conjunction with the supplier. It will contain information on the new bicycle/cycle safety equipment supplied and the details of the supplier. The supplier must attach the relevant invoice. The supplier must also accept that the payment from the Department will be made by Electronic Funds Transfer (EFT) only.

4. SALARY DEDUCTION

The Salary Deduction Authorisation Form sets out the salary sacrifice for the items requested. The following criteria should be noted regarding the deductions from salary:

1. Salary deductions will commence from salary on the earliest possible salary payment date following receipt of the application form.
2. All salary deductions **must** be completed by the last payroll in November of the calendar year in which they commence.
3. An employee may opt to complete the salary deductions over a shorter period.
4. When an employee is scheduled to come off the payroll on a date before November of the year they apply for the scheme, the entire salary sacrifice must be recovered by their last salary payment.

Once the salary deduction arrangements have been put in place, payment will issue to the supplier and the bicycle / cycle safety equipment may be collected from the supplier. The employee will be notified in writing when the deductions will commence.

Cycle to Work Scheme Conditions

1. The applicant must be employed in a Permanent, Contract of Indefinite Duration (C.I.D), fixed term, or Regular Part Time capacity at the date of application. The employment must be capable of lasting until the salary sacrifice has been recouped. It is not possible for casual or non casual employees, i.e. substitute employees, to avail of the scheme.
2. The employee must sacrifice or forego part of his/her annual basic salary in lieu of the provision of new bicycle/cycle safety equipment by the Department. The total cost of the bicycle and/or bicycle safety equipment as stated on the invoice from the supplier will be deducted from salary and the employee will not pay tax, PRSI, Universal Social Charge or Pension Related Deduction on the remuneration sacrificed. This arrangement will operate until the salary sacrifice has been recouped in full and this will be reflected in his/her pay slips over that period.
3. The new bicycle/cycle safety equipment acquired under the scheme must be used primarily for the purpose of transport to or from work and/or traveling between work places.
4. When purchasing a new bicycle, the employee must be aware that the National Safety Authority of Ireland implements on behalf of the European Commission certain bicycle safety standards. Bicycles that comply with such standards are presumed to comply with the EU General Product Safety Directive 2001/96/EC which lays down an obligation on producers to place safe products on the market. The relevant standards are;
 - a. I.S. EN14764:2006 - city and trekking bikes,
 - b. I.S. EN14766:2006 – mountain bikes,
 - c. I.S. EN14781:2006 – racing bicycles.
 - d. More information on these matters can be accessed at <http://www.nsai.ie>
5. The employee will not be able to cease his or her participation in the scheme prior to the expiry of the salary sacrifice arrangement, except in cases of termination of employment. Where employment is terminated before the expiration of the salary sacrifice arrangement, the employee must pay the balance due to the Department of Education and Skills, which may be deducted from any outstanding payment due in termination of the employment. Where this is not possible, it will be then necessary for the Department of Education and Skills to recover the balance due from the employee under the terms of Circular 15/2004 Policy and Procedures for dealing with Overpayment of Salary/Allowances.
6. Participation in the scheme is limited to once in each five year period. This also applies to any person who availed of the scheme in 2010 under the terms of Circular 54/2009 and in 2011 under the terms of circular 46/2010.
7. The scheme applies only to new bicycle/cycle safety equipment purchased from approved providers. A full list of providers is available from the OPW website: <http://www.opw.ie/en/OurBusinessUnits/GovernmentSuppliesAgency/Cycle-to-WorkScheme/>.
8. The payment for the bicycle / cycle safety equipment will be made to the supplier by the Department. It will be a requirement of the scheme for participating suppliers that all warranties relating to the bicycle/bicycle safety equipment will be for the benefit of the employee and all issues arising in relation to the warranties will remain between the employee and the supplier.

9. The employee acknowledges that the Department of Education and Skills is not responsible or liable for the security, disposal, maintenance, repair and use of the bicycle or bicycle safety equipment.
10. The Department of Education and Skills accepts no responsibility for misuse of bicycles or equipment by the employees and asserts that bicycles and bicycle safety equipment acquired by virtue of the scheme are strictly non transferable.
